For Sale : **€ 120,000**

Description
With the beaches a short drive away and village life all around, this residential field in Argaka offers a place to plan a home close to the coast. The village primary school is close by, and restaurants and cafés are within easy reach for an evening out.

The land has a regular shape and a sloping surface. A public road runs along three of its boundaries, so it has direct road access on several sides. Its residential zoning gives room for a home in a village setting near the sea.

Picture a day that starts with a short drive down to the shore for a morning swim and ends back in the village over dinner at a local café, with your own corner of Argaka waiting to take shape. Here coastal life and the everyday rhythm of the village sit side by side.

The sale is a 1/5 share of the field.

A residential field in Argaka, with village life close at hand and the beaches only a short drive away.
