Space, level ground and authentic Cypriot village
life come...

For Sale : **€ 135,000**

Description
Space, level ground and authentic Cypriot village life come together in this residential field for sale in Alaminos. It sits in the Larnaca countryside, a short drive from the village centre.

The land is a generous, rectangular field with a level surface, so it is easy to picture a family home taking shape here under the open Cyprus sky. It has direct road access, and its residential zoning points clearly to a home.

Everyday life stays simple. Schools, restaurants, cafés, parks and green spaces are all a short drive away, as are the neighbouring villages of Anafotida and Aplanta. Supermarkets, a pharmacy and public offices are a little further. The Larnaca–Limassol motorway is close by for trips across the island, and Larnaca International Airport is about 15 km away.

This sale is for a half share of the field.

In Alaminos, level land and a residential setting come with a slower pace of village life, and the motorway and the airport stay within easy reach.
