set the scene...

For Sale : **€ 727,000**

Description
Sea views and the beach a short distance away set the scene for this touristic field in Agios Tychonas, Limassol. The heritage site of Amathus lies within walking distance, so an afternoon among its ancient stones is never far off. The village centre, cafés and shops are a short drive away, Limassol Old Port is a drive away, and Larnaca International Airport is about 45 km away.

The land covers 16,846 m² of irregular, uneven ground and has direct road access along one boundary. Its touristic zoning points to tourist use, in a place where the sea is part of the view and the coast sits close by. A pipeline runs through part of the land.

This is a sizeable stretch of land with the sea in sight, in a village where beach, history and Limassol's harbour all sit within easy reach. The sale is a 1/4 share of the field.

Sea views, Amathus a stroll away and the shore close at hand give this corner of Agios Tychonas its pull.
