For Sale : **€ 490,000**

Description
Sea air, village life and a stretch of Cyprus's celebrated coastline only a short drive away. This field for sale in Pissouri sits in one of the Limassol district's most appealing corners, with 18,730 m² of land in a landscape-led setting away from dense urban development.

The ground slopes gently across an irregular outline, giving the land a natural, open character. It is zoned for touristic use, so its purpose sits comfortably with the relaxed coastal lifestyle that defines this part of the island.

Everyday needs are well covered. The village centre, restaurants, cafés, supermarkets and medical services are all a short drive away. The Limassol to Paphos motorway is also within easy reach for trips along the coast, and Paphos International Airport is about 20 km away.

Above all, it is the beaches that set the tone. They are close enough to bring the holiday atmosphere of Pissouri into every day spent here.
