Description
Pissouri Beach lies only a short drive from this generous field for sale in Pissouri, Cyprus. The land sits on the stretch of coastline between Limassol and Paphos, in an established resort area known for its relaxed pace and holiday atmosphere all year round. Part of the land falls within a tourist zone, giving it a clear link to the coastal setting around it.

The ground is sloping and irregular in shape, with more than 25,000 m² of open land. Everyday needs are close at hand. Restaurants, cafés, supermarkets, a pharmacy and the village centre are all within a short drive, as is the neighbouring village of Avdimou. The Limassol–Paphos motorway is nearby, and Paphos International Airport is about 20 km away, so arriving from abroad is straightforward.

This sale is for a five-twelfths share of the field.

With sea air, open countryside and one of the island's best-known beaches close by, Pissouri offers a setting where life by the water feels within easy reach.
