Description
Village life in Kato Mylos comes with real breathing space here: a two-storey family house on a generous, level plot of 1004 m², with a garden and terraces on both floors. It is a residential setting where everyday needs stay within easy reach.

Inside, the rooms spread comfortably over two levels. The ground floor holds the kitchen, living room, laundry room and a bathroom, along with two bedrooms and a wardrobe. Upstairs there are more bedrooms and a shower room, making this a flexible family layout that can adapt as household needs change.

Outside is where the house really opens up. Covered verandas on both floors give shade, an uncovered terrace upstairs catches the open air, and the garden adds your own patch of green. Restaurants, cafés, supermarkets, medical centres and parks are a short drive away, as are the neighbouring villages of Agios Ioannis and Potamitissa. Paphos International Airport is about 50 km away.

Above all, it is a home combining generous indoor space with outdoor areas made for long summer evenings, in authentic Cypriot village surroundings.
