Description
On the edge of Anogyra, this residential field offers a generous 7358 m² of land within easy reach of everyday village life. It is a setting rooted in authentic Cypriot village life, with the traditional centre close by and open landscape all around.

The land is zoned for residential use, so it suits a home of your own in a place with real character. It has an irregular shape and a sloping surface, which gives the plot a natural, landscape-led feel. Direct road access makes reaching the land simple.

Restaurants, cafés, parks and schools are a short drive away, as are the neighbouring villages of Agios Thomas and Prastio Avdimou. Further afield, a medical centre, a petrol station and the Limassol to Paphos motorway keep the wider island within comfortable reach. The coast at Petra tou Romiou, the famous birthplace of Aphrodite, is also a drive away.

Here in Anogyra, you have the space to plan a home around a relaxed rural setting, with village life on your doorstep and the coast within reach.
