are all within...

For Sale : **€ 325,000**

Description
Shops, cafés and the town centre of Chlorakas are all within walking distance of this two-storey family house, and the beaches lie a short drive away. It stands on residential land in the community, with direct road access.

The ground floor brings together a living room, a dining room and a kitchen, along with a guest toilet and a bedroom. Upstairs are three more bedrooms and a bathroom; the main bedroom has its own en-suite shower and a wardrobe. Below, a basement holds a further room and a storage room.

Outside, covered terraces and an open veranda offer places to share a meal or let a warm evening linger in the open air. The house is unfinished, so work remains before it can become a home.

The sale is of a 1/3 share of the field on which the house stands. What stays with you is a generous four-bedroom layout set within an easy walk of everyday life in Chlorakas.
