Description
Picture an evening stroll to dinner. From this large field in Kathikas, restaurants and cafés are within walking distance, and the village centre with its shops and everyday comforts is only a short drive away. It is a setting where village life stays close at hand. The land covers 12,710 m² in a residential zone, giving room for a home within the community of Kathikas. The ground slopes and has an irregular shape, so any plans will follow the lie of the land. Beyond the village, the coast is within reach, with Coral Bay a drive away for long days by the sea. Paphos International Airport lies about 20 km away, which keeps travel to and from the island simple. The sale is of an 11/12 share of the field. A sizeable stretch of Kathikas, with the cafés of the village a short walk away and the beaches of the Paphos coast a drive beyond.
