For Sale : **€ 65,000**

Description
For sale in Kato Pyrgos: a field of 9,216 m² of agricultural land in an open countryside setting, a short drive from the village centre. The ground is irregular in shape with an uneven surface, and its agricultural zoning makes it suitable for farming or planting.

The neighbouring villages of Pano Pyrgos and Pigenia are also a short drive away, as is a petrol station. The field has no direct access from a registered road. It is a generous parcel of farmland with plenty of space to cultivate in the Kato Pyrgos countryside.
