For Sale : **€ 90,000**

Description
A short stroll from the heart of Alaminos, this residential field for sale offers a generous 6021 m² of open land in authentic village surroundings. Schools are within walking distance, and the rhythm of village life, with its slower pace and close-knit community, sits right on the doorstep.

The land is zoned for residential use, giving room to picture a family home set within its own generous space. The gently varied ground and irregular outline lend the plot a natural, landscape-led character rather than a uniform suburban feel.

Everyday needs are well covered. Supermarkets, restaurants, cafés and parks are a short drive away, as are the neighbouring villages of Anafotida and Menogeia. The Larnaca–Limassol and Nicosia–Limassol motorways are within easy reach, and Larnaca International Airport is about 15 km away, so the wider island never feels far.

A sizeable piece of residential land close to a welcoming village centre, offering space, character and the authentic side of Cyprus.
