Description
An agricultural field for sale in Agios Theodoros, offering 41472 m² of open countryside in the Larnaca district. The land has an irregular shape and a sloping surface, and it has direct road access.

As agricultural land, it suits farming, planting or other low-intensity rural use. The village centre of Agios Theodoros and neighbouring Alaminos are a short drive away. Petrol stations and the Larnaca–Limassol motorway are within reach, giving easy connections across the island.

This is a sizeable, uncomplicated piece of farmland with road access.
