For Sale : **€ 159,000**

Description
On the edge of everyday Limassol life, this residential field for sale in Agia Fylaxis offers a generous, south-facing piece of land in a convenient urban setting. A park sits within walking distance, and schools, a bus station and the Spyros Kyprianou Athletic Centre are all a short drive away.

The land has a gently sloping, irregular shape that follows the natural lie of the ground, and it has direct road access. Its residential zoning points to a home, with the slope and southern aspect giving a design plenty to work with.

Getting around is uncomplicated. Main roads, motorway junctions, and both the Limassol–Saittas and Limassol–Paphos motorways are a short drive away, so the city centre, the coast and the wider district all stay within easy reach. Agia Fylaxis keeps you connected to the rhythm of Limassol while giving you space of your own.

This sale is for a half share of the field. A south-facing residential field with room to imagine a home, set where the city comes to life.
