For Sale : **€ 160,000**

Description
Pissouri is a Limassol village with beaches in the area, and this level field sits in its residential zone, with restaurants and cafés right beside it. Supermarkets and shops are within walking distance, and Paphos International Airport is about 15 km away.

The ground is flat and irregular in shape, and its residential zoning gives room for a home in the village. Everyday life here can feel simple and unhurried: a coffee or a long lunch at the cafés and restaurants next door, and daily shopping within walking distance.

The land has no direct road access. A distribution agreement is in place, and under it the share on offer corresponds to the southern part of the field, which lies within the residential zone. The sale is a 7/10 share of the field.

Level ground, village cafés on its doorstep and the beaches of the area around it give this corner of Pissouri a gentle Mediterranean appeal.
