For Sale : **€ 70,000**

Description
On the edge of authentic Cypriot village life, this residential field for sale in Pano Pyrgos offers a generous sweep of land in a relaxed rural setting. The village centre is a short drive away, with supermarkets, shops, restaurants and cafés close at hand, and the neighbouring villages of Kato Pyrgos and Pigenia are also within easy reach.

The land is a large, irregular parcel on a gently inclined surface, the kind of landscape that gives a sense of space and a closer connection to nature. Its residential zoning points to a home in the countryside, away from dense urban development.

Life here moves at a slower pace. Beaches are a drive away, as are the Gialia Monastery and the Cyprus Mouflon Enclosure, two of the area's best-loved heritage sites. Paphos International Airport is about 50 km away. This sale is for a half share of the land.

For anyone drawn to the authentic side of Cyprus, Pano Pyrgos offers open land, village life on the doorstep and the coast within reach.
