For Sale : **€ 189,000**

Description
Pissouri sets the scene here. Restaurants, cafés and everyday shops are within walking distance, and the village centre is a short drive away, so village life is part of each day.

The field covers 11,706 m² in all and lies in a residential zone, with room for a home in a welcoming village setting. The ground is uneven and irregular in shape. The land abuts a registered road, giving it direct road access, and Paphos International Airport is about 15 km away for trips abroad and visits from friends and family.

Picture morning coffee at a nearby café, an afternoon among the shops, and a home of your own taking shape on land just beyond. Schools, parks and the neighbouring villages of Alektora and Platanisteia are all a short drive away.

A distribution agreement assigns this share to a defined, vacant part of the field. The sale is a 1/2 share of the field.

Residential land in Pissouri, with the village close at hand and the space to shape your own home.
