For Sale : **€ 130,000**

Description
Within Limassol Municipality, in the Agia Fylaxis quarter, this residential field sits in a residential setting where a park offers green space within walking distance and schools are a short drive away. The town is all around, yet the open land feels removed from it.

The field covers 5,686 m² in total. Its shape is irregular and its surface slopes, giving the land a natural lie to work with. It is zoned for residential use, so there is room for a home here, within the municipality and near that patch of green.

The land has no direct road access. The sale is for a 1/2 share of the field.

A large residential field in Agia Fylaxis, with green space within walking distance and the life of Limassol all around it.
