Description
A sizeable agricultural field in Agios Theodoros, Larnaca, with 23,746 m² of open countryside a short drive from the village centre. The ground slopes and is irregular in shape, and the land is reached by an existing access road.

Kofinou and Alaminos are both a short drive away, and the Larnaca–Limassol and Nicosia–Limassol motorways are close at hand, so the field is easy to reach. Its agricultural zoning makes it suited to farming or planting. This is a generous, versatile piece of land in a rural setting.
