Description
Vavla is a village of authentic Larnaca countryside. This sizeable field lies a short drive from the village centre, with the neighbouring villages of Ora and Lageia nearby and the waters of Kalavasos Lake a short drive away. It is a setting shaped by small communities and open landscape. The land covers 15,720 m² of sloping, irregular ground and runs along a public pathway on one side. Most of it lies in a residential zone, which gives room for a home in village surroundings. Part of it is agricultural. It has no direct road access. Everyday needs stay close at hand: cafés, restaurants, shops and schools are all a short drive away. Village life sets the pace here, with the lake and the green countryside part of the wider scene. The sale is a 1/2 share of the field. A distribution agreement is in place and assigns this share to a defined part of the land. What remains is a large piece of Vavla countryside, with residential ground and room for a home among the villages around it.
