For Sale : **€ 56,000**

Description
Calm, green and set in a tranquil natural environment, this residential field for sale in Kato Pyrgos, Cyprus, offers a generous stretch of land with real character. The setting is the authentic side of the island, where village life moves at a slower pace and the landscape takes centre stage. The land is zoned for residential use, so it suits plans for a home surrounded by nature. Its sloping, irregular shape gives it a natural feel rather than a uniform one, and it has direct road access. Everyday needs are close at hand. Supermarkets, shops, cafés, restaurants and a petrol station are all a short drive away, as is the village centre, with neighbouring Pano Pyrgos and Pigenia equally close. Further afield, the wider region holds the Gialia Monastery and the Cyprus Mufflon Enclosure. This sale is for a half share of the land. What stays with you is the setting itself: open land, a strong local identity and a beautiful natural backdrop around Kato Pyrgos.
