Description
Village life in a quiet residential corner of Kalo Chorio sets the tone here. Schools, a supermarket and local shops are all within walking distance, so the school run and the daily shop can happen on foot. Restaurants and cafés are only a short drive away.

This house in Kalo Chorio is all on one level, with three bedrooms and 160 m² of comfortable everyday space. A covered veranda of 22 m² gives you a shaded spot for morning coffee, long lunches and summer evenings outdoors. The house sits on sloping residential land with direct road access, so arriving home stays straightforward.

Beyond the doorstep, the neighbouring villages of Zoopigi and Louvaras are a short drive away, as is the Eloros nature spot, so green escapes and authentic Cypriot village life are part of the weekly rhythm. Main roads are within a drive for trips further afield.

This sale is for a one-fourteenth share of the property.

A single-level family home in a quiet village, with a generous veranda and schools on foot: a place to put down roots.
