Description
This Cyprus field in Pigenia, in the Nicosia district, offers 6,689 m² of agricultural land on sloping ground in an open countryside setting. It lies a short way from the village centre and close to the main road towards Kato Pyrgos. The neighbouring villages of Agios Theodoros Tillirias and Mosfili, along with a petrol station, are a short drive away.

Zoned for agricultural use, the land suits farming or planting. It could also be a practical addition to nearby farmland. This is a sizeable, open plot of Pigenia countryside.
