For Sale : **€ 55,000**

**Description**
A generous piece of Cypriot countryside, this agricultural field in Asgata covers 27,425 m² of open land set within an attractive natural environment. The land has an irregular shape and an uneven surface, and it has road access. Its agricultural zoning suits farming or planting. The village centre is a short drive away, as are the neighbouring villages of Pentakomo and Kalavasos, petrol stations and the Nicosia–Limassol Motorway, which makes reaching the land from Limassol, Larnaka or Nicosia straightforward. Asgata keeps a landscape-led rural setting, away from dense urban development. This is a sizeable, versatile field of agricultural land within easy reach of the motorway.
