Village life in the Limassol countryside, with the woodland...

For Sale : **€ 90,000**

Description
Village life in the Limassol countryside, with the woodland of the Troodos National Forest Park only a short drive away: this four-bedroom house for sale in Pelendri offers space, verandas and a strong sense of place.

Set on a single level, the home centres on a living room with a dining area and a kitchen, with four bedrooms and a shower room making for a flexible family layout. Verandas invite long afternoons outdoors, a courtyard adds further outdoor space, and the property has direct road access. The house was first built around 1970.

Everyday needs are well covered. The village centre, schools, supermarkets, cafés and medical centres are all a short drive away, as is the heritage site of Timios Stavros, one of the treasures of the area. Neighbouring villages such as Potamitissa and Dymes are close by for a change of scene. This sale is for a one-third share of the property.

Four bedrooms, verandas and outdoor space, close to the forests and heritage of the Troodos, in a village that shows the authentic side of Cyprus.
