For Sale : **€ 115,000**

Description
Village life in the Paphos countryside sets the tone for this generous field of buildable land in Stroumpi. Zoned for residential use, it offers room to picture a family home set among open landscape, on sloping ground that follows the natural lie of the land.

Everyday needs are close at hand. The village centre, supermarkets, schools, cafés and restaurants are all a short drive away, as are parks and green spaces and the neighbouring villages of Polemi and Theletra. A medical centre, main roads and motorway junctions are within easy reach for trips further afield.

The land has direct road access, which keeps arrival simple. Some existing buildings of no real value stand on it. This sale is for a four-fifths share of the land.

It all adds up to a setting rooted in authentic Cypriot village life, with the space to shape a home around the slower pace of the countryside.
