For Sale : **€ 30,500**

Description
A field of 32777 m² on agricultural land in Kato Pyrgos, a short drive from the village centre and a petrol station, with the neighbouring villages of Pano Pyrgos and Pigenia also close at hand. The ground is uneven and irregular in shape, and the field borders a pathway along one side. Zoned for agricultural use, it offers room for farming or planting in an open countryside setting. This sale is for a one-third share of the field. It is a versatile piece of land, with a small stream crossing the ground.
