

For Sale, Land, Field, Limassol, Pelendri, 7,200m²

Set among the hills of the Limassol countryside,
this field...

For Sale : **€ 75,000**

Description
Set among the hills of the Limassol countryside, this field for sale in Pelendri offers a generous stretch of residential land with authentic village life around it. Troodos National Forest Park is a short drive away, as is the celebrated heritage site of Timios Stavros, one of the area's treasures.

The land follows a sloping, irregular outline and has direct road access, a natural setting in which to picture a home shaped around the landscape. Its residential zoning points to a house of your own here, with the unhurried rhythm of a mountain village close at hand.

Everyday needs are well covered. The village centre, cafés and restaurants, supermarkets, schools, pharmacies and medical centres are all a short drive away. The main roads lie a little further on for trips to Limassol and beyond.

This sale is for a half share of the field.

Pelendri pairs a slower pace with the forests of Troodos within easy reach. It is a setting with real character for life in the hills.
