Set within Pissouri village in Limassol District, this field...

For Sale : **€ 100,000**

Description
Set within Pissouri village in Limassol District, this field covers 13,379 m² of irregular, uneven ground. The village centre is a short drive away, and the nearby village of Alektora is also within a drive. About half of the land falls within a residential zone and about half within a protection zone. The land has no direct road access. This is a sizeable piece of land in Pissouri, with ground that follows the natural lie of the terrain.
