Quiet countryside surrounds this generous residential field...

For Sale : **€ 90,000**

Description
Quiet countryside surrounds this generous residential field in Simou, a traditional Paphos village where life moves at a slower pace. The land sits in a peaceful setting with a pleasant view over the surrounding area. The village centre, its cafés and everyday shops are only a short drive away.

At 7358 m², the field is level and regular in shape, so it is easy to picture a home taking form here. The source notes potential for a permanent residence or a holiday home, in keeping with its residential zoning, and the land has direct road access.

The area offers more than convenience. Evretou Lake, a peaceful natural spot, is a short drive away, and the neighbouring villages of Drymou and Sarama add to the character of the area. The town of Polis Chrysochou is within comfortable reach. Schools, public services and main roads are a drive away, with the motorway further afield.

Space, calm and a view across the countryside make this an uncomplicated setting for authentic Cypriot village life.
