Description
Set in open countryside outside Lythrodontas, this field covers 12,261 m² of inclined, rising ground with an irregular shape. The land has direct road access. The village centre and petrol stations are a short drive away, and the Nicosia–Limassol motorway and its junctions are within reach by car.

The surrounding landscape is rural and away from dense urban development. The villages of Vavatsinia and Pano Lefkara are also a drive away. This is a generous, sloping piece of the Lythrodontas countryside.
