For Sale : **€ 25,000**

Description
In Argaka, the sea is never far from daily life. The area's beautiful beaches lie a short drive from this residential field, and the village church stands just beside it. Life here keeps the easy rhythm of a coastal village.

The land sits among family houses and open parcels, in a residential zone that gives room for a home. It is irregular in shape, with uneven ground. The land has no direct road access.

Picture mornings shaped by the village around you, with the church bells close by and the coast within easy reach for an afternoon swim or an evening walk by the water. The neighbouring villages of Makounta and Kynousa are a short drive away, and Paphos International Airport is about 40 km away.

The sale is a 1/2 share of the field, and a division agreement assigns this share to a defined part of the land. What remains is a piece of Argaka's residential heart, with the village around it and the beaches close by.
