For Sale : **€ 70,000**

Description
Cafés and restaurants right on the doorstep, with medical centres, pharmacies and a sports venue all within walking distance. This house in Agros offers authentic Cypriot village life with everyday comforts close at hand, and it makes an appealing first look for anyone searching for a home in the hills.

Dating from around 1950, the house has the unpretentious character of its era. The upper floor holds a living room, a kitchen, a shower room and two bedrooms, and open terraces of about 15 m² give you space to sit outside and enjoy the village air. Below, a semi-basement of about 39 m² serves as storage, a useful extra for a home where space counts.

Supermarkets, shops, parks and green spaces are a short drive away, as are the neighbouring villages of Agios Ioannis and Polystypos. Paphos International Airport is about 50 km away. This sale is for a half share of the house.

A slower pace, a close-knit community and the warmth of a traditional village home, with a café table just next door.
