For Sale : **€ 68,000**

Description
Three adjoining fields in Pachna, in the Limassol countryside, come together here as one agricultural holding of 26,916 m². Sold as a single unit, the land has an almost regular shape and a sloping surface. It forms a well-proportioned, open area for farming or planting.

The fields lie outside the village of Pachna. Kissousa and Malia are a short drive away, and the Limassol–Paphos Motorway can be reached by car. The land has no direct road access. It is a generous, uncomplicated stretch of agricultural land in an open rural setting away from dense development.
