For Sale : **€ 60,000**

Description
Set within the village of Agios Mamas, this residential field offers a generous piece of Limassol countryside, close to the heart of the community and surrounded by the rhythm of authentic Cypriot village life. Its residential zoning points to a home of your own, shaped around the land and the setting.

The field has a regular shape and a gently inclined surface, a natural canvas for a design that works with the slope rather than against it. It also has direct road access, which keeps reaching the site simple.

Everyday needs stay within easy reach. Supermarkets, shops, schools, restaurants and cafés are a short drive away, as are the neighbouring villages of Kapileio and Trimiklini, with parks and green spaces nearby. Main roads are a drive away, and motorway junctions in the wider region link the village to the rest of the island.

This sale is for a half share of the field. What remains is a slower pace, a close-knit community and residential land in the countryside of Agios Mamas.
