

For Sale, Land, Field, Nicosia, Farmakas, 11,967m²

Authentic Cypriot village life sets the tone for this field...

For Sale : **€ 65,000**

Description
Authentic Cypriot village life sets the tone for this field for sale in Farmakas, a generous stretch of residential land in Nicosia district. Its gently inclined surface follows the lie of the landscape, and the land has direct road access.

Residential zoning points to a future home in these surroundings. Restaurants, cafés and a medical centre are a short drive away, as are parks and green spaces and the neighbouring villages of Kampi and Apliki. The Transfiguration of the Saviour Church is also close by, a reminder of the area's long history.

Further afield, the heritage village of Fikardou and the nature spots of Papoutsa and Kionia peak bring culture and the outdoors within reach. A school and a main road are a drive away for everyday needs.

This sale is for a one-third share of the land. Above all, this is a broad residential plot in a landscape-led setting. It sits in a Farmakas community with a strong local identity.
