Description
This 10,802 m² agricultural field lies in the countryside of Pigenia, in the Nicosia district. The ground is sloping and irregular in shape. The field has direct road access, so reaching it with vehicles and equipment is practical.

The village centre is a short drive away, as are the neighbouring villages of Selladi tou Appi and Agios Theodoros Tillirias. A petrol station is also close by. The land is zoned agricultural, which makes it a versatile piece of land for farming or planting in an open countryside setting. It is a sizeable field of farmland with a road running right alongside it.
