Description
Set in the countryside of Drouseia in the Paphos district, this agricultural field covers 8,696 m² of sloping, irregularly shaped ground. Most of the land lies in an agricultural zone suited to farming or planting. Part of it falls within a protection zone. The field sits a little beyond the village's residential area, with the neighbouring villages of Ineia and Tera also close by. The land has no direct road access. It is a sizeable, sloping field with most of its ground set aside for agricultural use.
