For Sale : **€ 60,000**

Description
Agricultural land outside Pachna village in the Limassol district, covering 16,054 m² of sloping ground in a natural, rural landscape. The field has an irregular shape and abuts a public road along one side, giving it direct road access with a long frontage. The villages of Dora and Anogyra are a short drive away, and the Limassol–Paphos Motorway is within driving distance.

Its agricultural zoning suits farming or planting. The land is affected by road widening. A sizeable field with its own road frontage, ready to be worked or held as farmland.
