For Sale : **€ 54,000**

Description
Just outside the heart of Pachna, this enclosed residential field for sale offers 2676 m² of open land in a setting where village homes meet farmland. It is a landscape-led spot, away from dense development, with the everyday rhythm of authentic Cypriot village life close at hand.

The land is empty and enclosed, with an irregular shape and a natural slope. Its residential zoning opens the way to a family home shaped around the lie of the land. On one side sit neighbouring houses; on the other, fields stretch away, giving the setting a relaxed rural feel.

Schools, restaurants, cafés and green spaces are a short drive away, as are the neighbouring villages of Agios Amvrosios and Kissousa. The Limassol–Paphos Motorway is within a drive for trips to the coast and the city, and heritage sites such as Kolossi Castle lie in the wider region.

A generous piece of land in Pachna, offering a closer connection to nature and room to create a home in the authentic side of Cyprus.
