For Sale : **€ 53,000**

Description
Close to the heart of Lofou, with the village centre and its church only a short walk away, this residential field sits within the everyday life of the community. Cafés and restaurants are within walking distance, and the neighbouring villages of Silikou and Agios Georgios are a short drive away.

The land covers 2,342 m². It has an irregular shape and a sloping surface, and its residential zoning gives room for a home. It has direct road access along one side.

Picture a morning walk to the village centre, a coffee at a nearby café, and an easy stroll past the church on the way back. This is a setting where daily life unfolds on foot and the rhythm of the village sets the pace. The sale is for a 1/2 share of the field.

A residential plot in Lofou, with the village centre close by and the road at its edge.
