Description
For sale: a field in Steni, in the Paphos countryside, offering a generous 8027 m² of agricultural land. The ground slopes and is irregular in shape, set in an open rural landscape away from dense development.

The village centre is a short drive away, as are the neighbouring villages of Agios Isidoros and Skoulli and local petrol stations. The main roads are a little further. The field has no direct road access. As agricultural land, it suits farming or planting, or could become a practical addition to an existing agricultural property. It is a sizeable, straightforward piece of farmland in the Steni countryside.
