Description
For sale: a field in Pano Pyrgos, on the edge of the village and a short walk from the community centre, with the village's residential area alongside it. This is agricultural land with an inclined surface and an irregular outline. A water stream crosses the field, and it has direct road access.

The neighbouring villages of Pigenia and Kato Pyrgos are a short drive away, as is a petrol station. This sale is for a three-quarter share of the field. It is a versatile piece of open, sloping countryside in Pano Pyrgos, with a stream running across it.
