Description
This Cyprus field in Pano Pyrgos lies in an open countryside setting, a short drive from the village centre. It covers 6,355 m² of agricultural land with a sloping surface, available for farming or planting.

Pano Pyrgos is in Nicosia district. The neighbouring villages of Kato Pyrgos and Pigenia are a short drive away, and a petrol station is close by. The well-proportioned rectangular outline makes the field straightforward to lay out and work. A sizeable, regularly shaped piece of farmland within the Pano Pyrgos community.
