For Sale : **€ 20,000**

Description
For sale in Kato Drys, two adjoining fields are offered together as a single piece of agricultural land. They cover 13,379 m² in an open countryside setting in the Larnaca district. The ground slopes and the shape is irregular, giving a versatile parcel for farming or planting. The land is accessible by road. The village of Choirokoitia and the Nicosia–Limassol motorway are both a short drive away, with main roads and petrol stations close by. Together, the two fields form a sizeable, uncomplicated stretch of farmland in the countryside around Kato Drys.
