Description
A piece of the Cypriot countryside in Lythrodontas, this agricultural field covers 15,051 m² of open land in natural surroundings. It is irregular in shape with an uneven surface, and it has road access.

The village centre and a petrol station are a short drive away, as is neighbouring Kapedes. The Nicosia–Limassol motorway and its junctions are within driving distance. This sale is for a one-half share of the field. It is a sizeable stretch of land in an open countryside setting outside Lythrodontas.
