Description
A field for sale in Choli, set in open Paphos countryside not far from Evretou Dam. The land covers 6,355 m² of agricultural ground, a generous area for farming or planting.

The field has an irregular shape and a sloping surface. The centre of Choli is a short drive away, as are the neighbouring villages of Skoulli and Steni, with petrol stations close by and the main roads within easy driving distance.

This is a sizeable, uncomplicated piece of agricultural land in an open countryside setting.
