Description
A generous agricultural field in Peristerona, Paphos, set in an open countryside setting. At 13,379 m², the land has an irregular shape and a gently sloping surface, and its agricultural zoning suits farming or planting. The area around it has a pleasant natural environment, away from dense development.

The village centre is a short drive away, as are the neighbouring villages of Steni and Agios Isidoros. Petrol stations are close by, and the main roads are within a drive.

This is a sizeable, versatile piece of Peristerona farmland.
