this field...

For Sale : **€ 55,000**

Description
Set among the hills of the Limassol countryside, this field offers residential land in the village of Pera Pedi, where mountain village character and authentic Cypriot life sit side by side. Restaurants and cafés are within walking distance, and so is neighbouring Kouka, so a stroll to a village table is part of everyday life here.

The land is zoned for residential use, giving you the chance to picture a home of your own in a landscape-led setting away from dense urban development. The ground is uneven and irregular in shape, with state land along one edge.

Daily needs are a short drive away: schools, supermarkets, a medical centre, petrol stations and sports venues, with main roads close by. Moniatis and the village centre are also within easy reach. For weekends, the Troodos National Forest Park is a short drive away, with its pine-covered slopes and cooler mountain air.

This sale is for a one-quarter share of the land.

A residential plot in the hills of Pera Pedi, with village tables nearby and the Troodos forest on your doorstep.
