Description
An agricultural field for sale in Pigenia, Cyprus, covering 8,732 m² of open countryside in the hills of the Nicosia district. The land lies on gently sloping ground with an irregular outline, in a landscape-led setting away from dense urban development and not far from the Pigenia Dam.

The village centre is a short drive away, as are the neighbouring villages of Agios Theodoros Tillirias and Selladi tou Appi, with a petrol station also close by. Zoned for agricultural use, this is a versatile piece of land for farming or planting, or a practical addition to existing rural land in the Pigenia area. It is a generous, uncomplicated parcel of Cypriot farmland.
