Description
Village life sits close at hand here. This residential field lies near the heart of Dora, a short distance from the community centre and the village church, in the green Limassol hillside countryside.

The land covers 2,676 m² with an irregular shape and a sloping surface. Its residential zoning gives room for a home of your own, set within the everyday rhythm of a small, welcoming village. The land has no direct road access.

Beyond Dora, the neighbouring villages of Mousere and Kidasi are a short drive away, and so are parks, cafés and restaurants. Further afield, the wider region holds Petra tou Romiou and the ancient Souskiou-Vathyrkakas Cemetery, a reminder of the long history of this part of the island.

A plot in the centre of a hill village, with the landscape of western Limassol all around it.
